Please see the response below. I will attach the agreements to this email and send the reports in a separate email.. If you have any questions, please let me know. Thanks, Donna

Donna, the agreements between the City and TTHP include a list of TTHP Board members. The quarterly and annual reports also include the officers of the TTHP. The agreements are available in EDMS; I do not know if the reports are in EDMS. The City does not have a list of all TTHP members, and the TTHP is not required under the agreements to provide such a list. Since it is not a requirement of the agreement, the City cannot request TTHP to provide the list of members in response to the PRR. Mr. Daniel may be able to get the list directly from TTHP.

**Linda R. Hudson**

Assistant City Attorney

Tallahassee, FL 32301
